FNS40217 Certificate IV in Accounting and Bookkeeping

Gaining entry into the financial services field has never been easier than with IIT's nationally recognised dual qualifications FNS40217 Certificate IV in Accounting and Bookkeeping. Completing this course enables you to work in many different **Accounting Support Roles** including Financial & Insurance Clerk, Accounts Receivable & Payable Clerk, Payroll Clerk, General Clerical Assistance or Trainee Accountant. The FNS40217 Certificate IV in Accounting and Bookkeeping is available as Government Funded for eligible students.

These courses cover the following FIVE topics:

Introduction to the Accounting Profession

Introduces the concept of accounting and its history. Provides students with an overview of how accounting is organised within Australia. Outlines Accounting Skills, Applying Principles of Professional Practice, use of technology, communication and health and safety practices within the accounting workplace/environment.

Accounting, Business and Financial Terminology & Accounting Systems

Provides students with an overview of the accountant's role, concepts, business organisations, and accounting reports such as Statement of Case Flows, Balance Sheets and Profit Statements. Students will also explore Administration of Financial Accounts, Accounting Systems and Purchases and Payment Cycles.

Introduction to Financial Accounting & Financial Analysis

Provides students with an overview of Accounting Methods, Source Documents, Maintaining Financial Records, Financial Reports, Control Accounts, Monitoring Cash Control, Preparing and Processing Petty Cash Documents, Financial Ratio Analysis and General Limitations of Financial Ratio Analysis.

Accrual System of Accounting

Provides students with an overview of Details of Source Documents, Contra Entries, Adjusting Entries, Provisions (Allowances), Bad Debt, Managing Debt Recovery, Stock of Assets Used as Expenses, Depreciation, Charts of Accounts and Credit/Debit Card Payments.

Payroll, Small Business & GST Issues

Provides students with an overview of payroll processes, using software, employee entitlements, GST Attribution, Cash Accounting Requirements, Tax Invoices, Business Activity Statement (BAS) and Introduction to the Pay As you Go (PAYG) System.

Course Overview

The International Institute of Technology (RTO no.21421) provides quality skills based training courses necessary to become ASIC compliant and kick start your career in the fast growing financial services industry.

Entry Requirements	There are no entry or eligibility requirements for this course
Course Duration	The duration of the course will vary depending on each individual student and their prior experience and knowledge. 794 hours over a maximum of 12 months is the recommended timeframe for students new to the industry.
Assessments	True / False Questions (TF), Multiple Choice Questions (MCQ), Short Answer Questions (SAQ), an Accounting Software Assessment, Case study, Role-Play and Oral Assessment.

Exemptions and Recognition of Prior Learning (RPL)	If you have completed previous studies in the financial services area, you may be eligible for some credits towards the course by way of course exemptions. For more information on course exemptions and recognition of prior learning, visit http://www.iit.edu.au/about/
Distance Education	Distance or self-paced learning allows you to start a course when it suits you best. Moreover, it provides you with the flexibility to continue with your other commitments in life, such as work, parenthood and your social life. BEST OF ALL, it gives you access to our Distance Education Team who can discuss concepts, conduct skill-based role plays and provide feedback on any assessments submitted.
Qualification Pathway	This course has national recognition. We recommend you progress into the FNS50217 Diploma of Accounting
